December 2, 2018 - Surprise! The Leader - Readers' Choice Awards...

Now how is it possible for the smallest Internet Access Provider with the smallest area covered and that does not have a marketing budget make this list?!
But, there we are in the upper right corner as #3 under Best INTERNET PROVIDER...

The screenshot shows a web browser displaying a 'Readers' Choice Awards' page. The page is divided into several categories, each with a list of winners. In the 'INTERNET PROVIDER' category, the winners are: 1. Wave Broadband, 2. Olympus.net, and 3. Marrowstone Wireless. Other categories include 'HAIRDRESSER', 'HAPPY HOUR', 'JEWELRY', 'LAUNDRY', 'LAWYER', 'HARDWARE', and 'HEALTH CLINIC'. On the left side, there are several award banners, including one for 'Best Property Management 2018' for Townsend Bay and another for 'Best General Contractor' for JDG Construction Inc. The browser's address bar shows the URL: https://cdn2.creativecirclemedia.com/ptleader/files/20181128-152322-112818_TheLeade...

The answer is, of course, that we have the best clients to serve. Clients that turn into family, by choice not birth. So, we thank you all for the support as we keep moving forward for the Island.

Visible progress is low right now because we are waiting for our ship to come in. No, really, a container ship is crossing the Pacific right now with our new spools of mainline fiber and is due in Seattle on the 8th of December. We hope all will be sorted out for our going to pick them up around the 17th (my birthday, BTW, a nice gift). Then back to field work on the poles once more in the Robbins Fiberhood.

May God bless and keep you during this holiday season!

Peace, David
