## **October 2, 2020 - Time to come clean and stand...**

In April 2009, the Creator answered my seeking heart and made Himself known to me, a decades long agnostic. As I learned about Him and His ways my life changed, I changed. Suddenly, I was looking at a world that was openly hostile to my beliefs. I was shocked and went silent.

Very few people know that in 2015 as Marrowstone Wireless was being formalized, I dedicated the company to God Almighty vowing to conduct the business following the ways of The LORD. I hope I have had reasonable success in this as we have served you, our clients. I pray we continue to become better in serving you all.

So, there you have it. Now you know and I do not have to hide my feelings and thoughts from you. Why am I saying this now? I am claiming my God-given, Constitution-provided right to free speech.

Those that are offended by my expressed beliefs in these communications do not have to read them but, they do not have the right to tell me to stop it. Which I have been doing up until now. Being politically correct...

So, I am taking a stand with God Almighty whose name I pronounce Yehovah.

This is not an announcement to say I will use this monthly newsletter as a platform to preach from but, to claim the right to insert occasional quotes from the Bible, prayers and blessings. That said:

*May Yehovah bless you and keep you; may Yehovah make His face to shine on you and be gracious to you; may Yehovah look with favor on you and give you peace. Amen*

Now, when you see the usual way I sign my messages with "Peace" or "Shalom" you will know it is shorthand for the above blessing I mean for you. Yes, you can take it personally...

Peace, David

David G. Brader, President, MACaid, Inc. dba Marrowstone Wireless
